

InDesign CC: Essentials

Adobe InDesign CC is a professional page layout application that gives you pixel-perfect control over design and typography. In this course, you will be trained to create elegant and engaging pages with features including comprehensive styles and sophisticated text-handling capabilities. New tools make adapting layouts for myriad printed page and screen sizes more efficient. This course is suitable for anyone wish to learn the magic behind commercial multi-page printed documents.

Target Audience: New & Basic Users **Prerequisite:** Basic I.T. skill

Duration 2 Days

Hours 9am to 6pm

REGISTER NOW
